

Podcast/Interview Questions for Laura Ballerini THE GREEN VELVET CHAIR

1. How did you come up with the title “The Green Velvet Chair”?
2. This book talks about colour, sculptures, paintings, and perspective, but it’s not really about art and design, is it?
3. How did you come up with this idea for a book?
4. Your website URL is Badass-Ballerini, but you don’t seem like a badass. How did this come about?
5. Why would someone want to read this book?
6. Family and relationships are weaved through every single story. How did you connect the dots between family life and art and design?
7. You come from a creative family and have built a career in graphic design, but do you really think everyone is creative in some way?
8. Why is it important to be aware of art and design around us?
9. How can we bring more art and design into our lives?
10. Who is The Green Velvet Chair for?
